

JANUARY

2024

2023 was a brilliant year for fundraising, we raised almost **£15000** for school, which was used mostly towards replacing classroom resources to make the children's learning experience more interesting and engaging. This year we plan to do it all again, or better! A major contributor towards our fundraising total is Barclays Match Funding. We are enormously grateful to parents who work for Barclays and use their Match Funding allowance for school. If you work for Barclays and would like to help us raise up to an extra **£1000** for a PTA event this year please do get in touch.

Thankyou very much to our Christmas fair volunteers. We couldn't have done it without you! 😊

Jolly January is a brand new event for 2024. We would like to invite the children to dress in fun clothes of their choice! They can wear fancy dress, sports kits, hand painted t-shirts, or whatever takes their fancy. Funky hairstyles or colour spray are also allowed.

You may make a voluntary donation for Jolly January if you wish

On Monday 5th February, the PTA will be giving out tubes of smarties with a poster attached for all the children to take home and enjoy.

In return, we ask that your child earns coins by helping out around the house or doing good deeds for family members. 20p coins fit perfectly in the tube. 😊

Once filled, please seal the ends and return by Friday 1st March.

All funds raised will go towards the school and as always we appreciate your support.

If you have more than one child then please don't feel the need to fill them all, just write all their names on the slip when you return it. As a thankyou, every child who returns their tube will be entered into a prize draw to win a special treat.
