

Physical Education Knowledge & Skills Progression

Knowledge	YEAR 1	YEAR 2	YEAR 3	YEAR 4	YEAR 5	YEAR 6
Ball skills	<p>Pupils will consolidate their ability to dribble the ball keeping control and moving into spaces. Pupils will develop their ability to pass the ball accurately. Pupils will demonstrate developing concentration skills as they focus on the target, their partner and the ball. Pupils will develop life skills such as fairness and empathy as they work well with others and play by the rules. Pupils will develop and apply life skills such as self belief and honesty as they strive to improve their own performance and always keep the score playing fairly.</p>	<p>Pupils will develop communication and empathy as they listen to their partner and team members and work collaboratively together. Pupils will continue to effectively apply life skills such as self belief and integrity as they strive to improve their own performance whilst playing fairly. Pupils will focus on their partner and team members, developing an understanding of the consequences in a game when mistakes are made. Pupils will be able to apply their passing and dribbling skills in order to keep possession and score a point.</p>				
Games for understanding	<p>Pupils will be able to run and stay in a space, changing direction and speed to avoid the defenders. When defending, pupils will successfully make a tag. Pupils will start to create and apply simple tactics for attacking and defending. Pupils will develop an</p>	<p>Pupils will move between attack and defence as the game changes. Pupils will be able to move in to space when attacking and tag the opposition when defending. Pupils will understand the consequences of breaking the rules and not applying tactics successfully. Pupils will understand the</p>				

<p>understanding of why rules are important in a game. Pupils will develop life skills such as empathy and fairness as they collaborate with their own team and the opposing team to ensure they play the games fairly. Pupils will continue to develop and apply honesty as they play by the rules and keep the score.</p>	<p>difference between attack and defense. Pupils will develop strong collaboration skills by working with their own team effectively and playing fairly against the opposition. Pupils will apply a competent understanding of honesty as they play by the rules and keep the score. Pupils will develop understanding of self discipline.</p>				
<p>Football</p>		<p>Pupils will develop their passing and moving and dribbling skills to outwit their opponents and keep possession of the ball. Pupils will apply an understanding of where, when and why we pass, move and dribble in order to score points against another team. Pupils will develop life skills such as respect and communication as they collaborate with others including their opponents. Pupils will apply their skills while developing confidence as they grow in their ability to show resilience and self motivation.</p>	<p>Pupils will be able to apply a secure understanding of passing, moving and dribbling in order to shoot and score goals against another team. Pupils will demonstrate a growing understanding of the difference between attack and defence as well as when, where and why we execute certain skills. Pupils will develop life skills such as respect and cooperation as they collaborate with others and apply the rules of the game Pupils will continue to develop and apply life skills such as resilience and self discipline as they strive to improve their own performance and understanding.</p>	<p>Pupils will pass, move, dribble and shoot accurately and consistently, switching fluidly between attack and defence as possession changes. Pupils will begin to create and apply tactics that they can then adapt depending on the situation. Pupils will develop communication skills as they officiate in game based scenarios. Pupils will also start to lead their team and manage their games.</p>	<p>Pupils will apply a refined understanding of passing and moving and dribbling to score points against another team. Pupils will demonstrate resourcefulness and problem solving skills by creating a range of attacking and defending tactics, applying these to their games. Pupils will effectively apply their tactics, demonstrating a clear understanding of the role each team member will perform and will ensure the team feels motivated. Pupils will constantly apply life skills such as integrity and self discipline by playing by the rules and leading others by example.</p>

Netball		<p>Pupils will develop their passing and moving skills to outwit their opponents and keep possession of the ball.</p> <p>Pupils will apply an understanding of where, when and why we pass and move, in order to score points against another team. Pupils will develop life skills such as respect and communication as they collaborate with others including their opponents. Pupils will apply their skills with developing confidence as they grow in their ability to show resilience and determination.</p>	<p>Pupils will be able to apply a secure understanding of passing, moving and shooting in order to score points against another team.</p> <p>Pupils will demonstrate a growing understanding of the difference between attack and defence by making effective decisions and creating simple tactics. Pupils will develop life skills such as trust and cooperation as they collaborate with others and apply the rules of the game. Pupils will continue to develop and apply life skills such as resilience and self motivation as they strive to improve their own performance and understanding.</p>	<p>Pupils will be able to pass, move and shoot accurately and consistently. They will be able to switch fluidly between attack and defence as possession changes. Pupils will begin to understand the different positions, applying their role effectively within the game. Pupils will create, apply, evaluate and improve tactics. Pupils will develop communication skills as they officiate in game based scenarios. Pupils will also start to lead their team and manage their games. By facilitating learning through gamebased scenarios, pupils' self discipline will be challenged as they focus on trying their best, even when their team is losing.</p>	<p>Pupils will apply a refined understanding of attacking skills and defensive skills, that will be executed accurately and consistently.</p> <p>Pupils will demonstrate resourcefulness and problem solving skills by creating, applying and then adapting a range of attacking and defending tactics. Pupils will effectively apply their tactics, demonstrating a clear understanding of the role each team member will perform and will ensure the team feels motivated. Pupils will constantly apply life skills such as integrity and self discipline by playing by the rules and leading others by example.</p>
Rugby		<p>Pupils will develop their passing and moving skills to outwit their opponents and keep possession of the ball. Pupils will explore how we tag an opponent. Pupils will apply an understanding of where, when and why we pass and move, in order to score a try. Pupils will understand the importance of tagging. Pupils will develop life</p>	<p>Pupils will be able to apply a secure understanding of passing, moving to create space and score. Pupils will apply tagging to prevent an attacker scoring. Pupils will demonstrate a growing understanding of the difference between attack and defence, understanding when and why to apply certain skills. Pupils will develop and</p>	<p>Pupils will be able to pass and move accurately and consistently. They will be able to switch fluidly between attack and defence as possession changes. Pupils will consolidate their understanding of the difference between attack and defence, understanding when and why to apply certain skills.</p>	<p>Pupils will apply a refined understanding of the skills required for both attacking and defending. Pupils will switch fluidly between attack and defence as possession changes. Pupils will demonstrate resourcefulness and problem solving skills by creating a range of attacking and defending</p>

Physical Education Knowledge & Skills Progression

		<p>skills such as cooperation and communication as they collaborate with others including their oppoenets. Pupils will apply their skills with developing confidence as they grow in their ability to show resilience and self motivation.</p>	<p>apply life skills such as trust and cooperation as they collaborate with others and apply the rules of the game. Pupils will continue to develop and apply life skills such as resilience and self motivation as they strive to improve their own performance and understanding</p>	<p>Pupils will develop communication skills as they officiate in game based scenarios. Pupils will also start to lead their team and manage their games. By facilitating learning through gamebased scenarios and mini game situations, pupils will be challenged to always try their best, even when their team is losing.</p>	<p>tactics, applying these to their games. Pupils will effectively apply their tactics, demonstrating a clear understanding of the role each team member will perform and will ensure the team feels motivated. Pupils will constantly apply life skills such as integrity and self discipline by playing by the rules and leading others by example.</p>
Tennis		<p>Pupils will throw/hit the ball into space on their opponents side of the court. After playing a shot pupils will recover to a ready position, ready to return the ball. Pupils will develop their understanding of where, when and why we throw/hit the ball into spaces on their opponents side of the court. Pupils will develop life skills such as cooperation and encouragement as they play fairly against others, keeping the score. Pupils will apply their skills with developing confidence as they grow in their ability to show resilience and determination.</p>	<p>Pupils will hit the ball into space on their opponents side of the court, creating space for the next shot that will win them the point. Pupils will apply an accurate understanding of where, when and why we hit the ball into spaces on their opponents side of the court. Pupils will develop life skills such as trust and cooperation as they collaborate with others, applying the rules of the game. Pupils will continue to develop and apply life skills such as resilience and self motivation as they strive to improve their own performance and understanding.</p>		
Dodgeball				<p>Pupils will consolidate their application of dodging, throwing,</p>	<p>Pupils will refine their application of dodging, throwing, jumping, ducking</p>

jumping, ducking and catching. Pupils will begin to explore blocking and apply this in games. Pupils will create and apply attacking and defending tactics. Pupils will understand how important effective decision making is and begin to evaluate others. Pupils will develop communication skills as they support their team mates in games and suggesting ways to improve their performances. Pupils will consolidate their application of life skills such as integrity and responsibility as they strive to improve their own performances.

and catching. Pupils will be able to switch fluidly between attacking and defending. Pupils will demonstrate resourcefulness and reflective skills by creating a range of attacking and defending tactics and adapting these when necessary. Pupils will refine their communication skills as they support their team mates in games and suggesting ways to improve their performances. Pupils will consistently apply life skills such as integrity and self discipline by playing by the rules and leading others by example.

Hockey

Pupils will develop their passing and moving and dribbling skills to outwit their opponents and keep possession of the ball. Pupils will apply an understanding of where, when and why we pass, move and dribble in order to score points against another team. Pupils will develop life skills such as respect and communication as they collaborate with others including their oppoenets. Pupils will apply their skills with developing

Pupils will be able to apply a secure understanding of passing, moving and dribbling and develop their skills of blocking and tackling, to prevent attacks. Pupils will demonstrate a growing understanding of the difference between attack and defence as well as when, where and why we execute certain skills. Pupils will develop life skills such as trust and cooperation as they collaborate with others

		confidence as they grow in their ability to show integrity and self motivation.	and apply the rules of the game. Pupils will continue to develop and apply life skills such as resilience and self motivation as they strive to improve their own performance and understanding.		
Basketball				<p>Pupils will pass, move, dribble and shoot accurately and consistently, switching fluidly between attack and defence as possession changes.</p> <p>Pupils will begin to create and apply tactics that they can then adapt depending on the situation. Pupils will develop communication skills as they officiate in game based scenarios. Pupils will also start to lead their team and manage their games. By facilitating learning through game based scenarios and mini game situations, pupils will be challenged to try their best and start to take responsibility for others</p>	<p>Pupils will apply a refined understanding of passing and moving and dribbling to score points against another team. Key Success Criteria Pupils will demonstrate resourcefulness and problem solving skills by creating a range of attacking and defending tactics, applying these to their games. Pupils will effectively apply their tactics, demonstrating a clear understanding of the role each team member will perform and will ensure the team feels motivated. Pupils will constantly apply life skills such as integrity and self discipline by playing by the rules and leading others by example.</p>
