## **OVERVIEW**

Winnington Winners Before and After School Club is a provision for the children of Winnington Park Primary and Nursery School. It has its own facilities on site and staff are employed by school.

Staff are friendly and welcoming, with appropriate and recognised qualifications or experience of working with children. All have up to date DBS certificates and accredited first aid qualifications.

## **ADMISSIONS**

Winnington Winners is registered for children between the age of 3 and 11 years.

## **ARRIVALS AND DEPARTURES**

It is the policy of the Children's Club to give each child a warm welcome on arrival.

Children will be greeted by a member of staff who will ensure his/her safety, and their attendance is recorded in the register.

Children must be collected by a parent/carer or named adult.

The register must be immediately marked to show the time of departure and that the child has left the building. Any late collections must be recorded in the Late Collection Book.

## **ACCESS TO INFORMATION**

All documents relating to Winnington Winners can be viewed on the school website and paper copies are available on request.

## **ACCIDENTS**

A great effort is made to provide a safe environment but accidents may still happen.

A qualified first aider will deal with any accident that occurs immediately. A first aid box containing all the required equipment is available.

Details of the accident and treatment given must be recorded and signed by the member of staff who administered the first aid.

If a serious accident occurs, then all effort will be made to contact a parent or any named emergency contact. If a parent is unable to be contacted a staff member will accompany the child to the most appropriate centre for medical treatment.

## **BEHAVIOUR**

At Winnington Winners, we want all children to have a fun and relaxing time with us. Positive behaviour and consideration for others and school property will be encouraged by praise and acknowledgement from our staff in line with the school's behaviour strategies.

Please see the school Behaviour Policy.

## **BULLYING**

Effective anti-bullying strategies form part of the school Behaviour Policy.

Bullying can be defined as deliberately hurtful behaviour reported over a period of time, where it is difficult for those being bullied to defend themselves. The three main types of bullying are:

- a) Physical (hitting, kicking, theft).
- b) Verbal (name-calling, racist or homophobic remarks).
- c) Indirect (spreading rumours, excluding someone from social groups or activities).

## **CANCELLING YOUR CHILD'S PLACE**

24 hours is required to cancel your child's place

## **CHILD PROTECTION**

This statement lays out the procedures that will be followed if we have any reason to believe that a child in our care is subject to emotional, physical, sexual abuse or neglect.

Our prime responsibility is the welfare and well-being of all children in our care. As such we believe we have a duty to the children, parents /carers and staff to act quickly and responsibly in any instance that may come to our attention. Should any member of staff have concerns they should report to the school safeguarding lead and note on CPOMS. Strict confidentiality will be observed at all times.

It is the policy of Winnington Winner's to provide a secure and safe environment for all children. All staff receive regular safeguarding training. Please see the school's child protection and safeguarding policy.

## **COMPLAINTS PROCEDURE**

Day to day misunderstandings and grumbles can usually be remedied without resorting to a formal complaint. If any parent /carer should have cause for complaint they should, in first instance, take it up with the manager in charge.

If the complaint cannot be resolved after speaking to the Winners manager, then a senior member of staff from the school must be contacted to investigate further.

The school's complaints procedures should be followed should no resolution be able to be found which is available on the school website.

## **CONFIDENTIALITY**

It is a legal requirement on the Children's Club to hold information about the children. Basic information is used for registers, invoices and for emergency contact, however all procedures follow GDPR guidance.

If however a child is considered at risk our child protection policy will override confidentiality.

The aim of this policy statement is to ensure that all reasonable steps are taken to ensure the health, safety and welfare of all persons using the premises. To achieve this, we will actively work towards the following objectives:

- To establish and maintain a safe and healthy environment throughout the building.
- To establish and maintain safe working procedures amongst staff and children.
- To make arrangements for ensuring safety and the absence of risk to health in connection with the use, handling, storage and transport of articles and substances.
- To maintain a safe and healthy place of work.
- To formulate effective procedures for use in case of fire and other emergencies and for evacuating the building.
- To follow the regulations of the health and safety at work act.

We believe the risks in the children's club environment to be low but to maintain maximum protection for children, staff and parents/carers we consider it necessary to:

- Ensure the highest standards of cleanliness are maintained.
- Ensure safe and clear access and exits from the building, including fire exits.
- Regularly check the premises room by room for structural defects, worn fixtures and fittings or electrical equipment, and take the necessary remedial action.
- Ensure that all staff are aware of the fire procedures and regular fire drills are carried out.

## **MISSING CHILD PROCEDURE**

Please see the school's missing child policy.

## **SPECIAL EDUCATIONAL NEEDS**

At Winnington Winners we are committed to the integration of children with special needs. We believe that all children have the right to be able to develop their potential alongside each other. It is a positive experience to be able to share the same opportunities and overcome any difficulties together.

- To recognise any special needs a child may have and ensure all staff are aware of them.
- To assess each child's specific needs and adapt our facilities as appropriate.

- To ensure that all children are treated as equals and are encouraged to take part in every aspect of the time spent within the club.
- To promote positive images of those with special needs wherever possible.

Winnington Winners believes that all children have a right to experience and develop alongside their peers no matter what their individual needs. Each child's needs are unique therefore any attempt to categorise children is inappropriate. Children learn from interacting with other children and by giving them these experiences children with special educational needs can be educated and develop as far as practicable with peers without special needs.

Children with special needs have the right to be included and for their needs to be met. A child's disability may range from physical disability through to specific medical condition or illness, to developmental delay or social and emotional and mental health difficulty. The disability may be visible or invisible (e.g. Epilepsy).

## **Inclusion**

What is inclusion? And why is it important?

Inclusion means removing barriers and providing supports in order to allow children with disabilities to participate in all aspects of life. This is important because:

- All children need a sense of belonging for self-esteem and healthy child development.
- Being at a club with other children helps children with disabilities to learn social skills.
- Inclusion also helps make other children in club more aware, sensitive and compassionate.

## **SUPERVISION OF STAFF**

The Headteacher is responsible for ensuring all staff are registered to work in the building. Ofsted forms are issued and checks carried out (full enhanced DBS Checks).
