Dear Parents and Carers,

Autumn Harvest Singing Celebration and Food Donation for Northwich Community Support

[Northwich Community Support](#) is a non-profit charity organisation, set up to collect spare and surplus food for redistribution to those who need it most across our community. With many families in our area being affected by the cost of living crisis, this type of service is being used more and more. We would like to support families in need across our local area by requesting donations of food for redistribution.

To mark the time of year, and to encourage donations, we are holding some short informal Autumn Harvest Singing Celebration assemblies. The dates and times are as follows and you are welcome to attend your child's event. Please limit your attendance to 2 people per child. Collection will be at the normal time on these days.
