Friday 17th November

Dear Parents and Carers

Invitation to Consult on our School's Values, Vision and Culture

We are currently undertaking work to update the school community's values, vision and culture.

School has changed significantly since this was last done, increasing in size and diversity, leadership and staffing. There has also been a pandemic, which has had a sizeable impact on our children and society as a whole, leading many people to reevaluate what matters to them.

Staff and governors have already started work on identifying the core principles that should guide our organisation, exploring an aspirational vision that we wish to achieve, and defining exactly the behaviours and attitudes that create our culture.

This week we have started consultation with the children. School Councillors along with their teachers will help the classes to complete a questionnaire to capture the children's thoughts and ideas.

It is hugely important as part of this exercise that parents and carers have the opportunity to express what is important to them as well. We are holding two meetings at school to provide this opportunity:

Wednesday 29th November 6.00pm - 7.00pm

Friday 1st December 9.00am - 10.00am

The meetings will be very informal, in a workshop style, giving time to reflect, discuss and share thoughts. Unfortunately, we are not able to offer childcare during the meetings. After consultations, ideas from all stakeholders will be drawn together in the new year.

Please email the school office (office@winningtonpark.cheshire.sch.uk) or call school (01606 74371) to let us know if you are able to attend one of the meetings.

Many thanks for your support.

Yours sincerely,

Mr Rob Cole
(Headteacher)
