Number		Numbers with the correct	Numbers with the correct	Numbers with the correct
		amount of objects on display.	amount of objects on display.	amount of objects on display.

Developing fast recognition of up to 3 objects, without having to count them individually. (subitising)
Recites numbers past 5.

Say one number for each item in order.

Know that the last number reached when counting a small set of objects tells you how many there are in total.

Show 'finger names' up to 5.

Link numbers and amounts.

Experiments with their own symbols and marks as well as numbers.
Solve real world mathematical problems with numbers up to 5.
Compare quantities using language 'more than' 'fewer than'.

Shapes, space and Patterns

Daily 'mini maths' session. Adults model correct counting.

FIRST 4MATHS

Cardinality & Counting
Accurate and consistent
verbal counting to 5.
1:1 correspondence and
cardinality to 3 subitising 1
and 2

Measures

Understand and use specific attributes to compare height (taller and shorter rather than big and small)
Understand and use specific attributes to compare length (long, short)

Spacial Reasoning

Understand and use simple language of position that doesn't vary by viewpoint (in, on, under, next to)
Understand and use language of position that can vary by viewpoint (in front, behind)

Shape

Explore rotating and flipping objects to make a match

Daily 'mini maths' session. Adults model correct counting.

FIRST 4MATHS

Cardinality & Counting 1:1 correspondence and cardinality to 5 subitising 3

cardinality to 5 subitising 3
Begins to recognise numerals
and match sets

Measures

Understand and use specific attributes for width and thickness (wide, narrow, thick, thin)
Understand and use specific attributes for weight/mass (heavy, light, heavier, lighter)

Spacial Reasoning

Understand and use
everyday language of
direction (up, down, through,
over, under)
Understand and use language
of movement (forwards,
backwards, sideways, turn)

Shape

Daily 'mini maths' session. Adults model correct counting.

FIRST 4MATHS

Cardinality & Counting

Conservation of number to 5 with order irrelevance
Accurate and consistent verbal counting to 10

Comparison

Compare sets of objectswhich has more, fewer-just by looking

Making equal sets Composition

Separate a group of 3 or 4 objects in different ways

Measures

Time-sequence of events Understand and use specific attributes for capacity and volume (full, empty, part full, part empty) Compare capacities

Spacial Reasoning

Discuss routes and the order and location of things seen extending vocab (in-between, above, below, around, beside. Across, along)

Talk about and explore 2D and 3D shapes. Understand position through words alone. Describe a familiar route. Discuss routes and locations using words like 'in front of' and 'behind'. Select shapes appropriately. Combine shapes to make new ones. Talk about and identify the patterns around them. Extend and create ABAB patterns. Notice and correct an error in a repeating pattern. Begin to describe a sequence of events. Real or fictional, using words such as 'first', 'then'.

(posting boxes, inset puzzles, jigsaws)

Explore construction with 3D shapes-combining shapes in 2 dimensions

Sorting & Sequencing
Sort by a single propertycolour
Sort by 2 properties-colour
and size.

2D and 3D shapes available for children to handle and explore. Large/small construction toys

Adults' model re-telling a sequence of events.

available

Explore pattern and picture making with 2D pattern blocks

Begin to notice properties of 3D shapes and find shapes that are the same

Sorting & Sequencing
Sort using different
combinations of properties
(size attributes linked to
measure, colour and shape)
Simple AB sequences
varying colour or size
(Continue and copy
patterns)

2D and 3D shapes available for children to handle and explore. Large/small construction toys available.

Copy and continue a simple pattern.
Adults' model re-telling a sequence of events.
Encourage the children to describe a sequence of events.

Understand and use language of distance (far away, near, how far?)

Shape

Explore more complex construction with 3D shapes-combining shapes to make arches and enclosures
Begin to notice properties of 2D shapes that are the same including on the faces of 3D shapes

Sorting & Sequencing
Simple Ab sequences of
sounds, actions, and objects
(make own patterns)

2D and 3D shapes available for children to handle and explore.
Large/small construction toys available.

Create their own patterns.

Adults' model re-telling a sequence of events.
Encourage the children to describe a sequence of events.

Understanding the World Post and Present Begin to make sense of their own life-story and family's history. Show interest in different occupations. Explore things work. Plant seeds and care for growing plants. Understand the key features of the life cycle of a plant or an animal. What day is it today, tomorrow? Days of the week display. Talk about who they live with and other family members. Where do you live? What does your home look like? Planting bulbs. What day is it today, tomorrow? Days of the week display.
