Northwich Lantern Parade will take place on sat 23rd^h November as part of the 2024 Christmas Extravaganza. As usual we will be running lantern making sessions in local schools in readiness for the parade.

Workshops are for one day and are suitable for **one class of 30 children from yr 3 - 6 inc.**

I understand that your school has been invited to host a workshop so, to help me sort out the timetable, I'd be grateful if you could let me have the following information.

At least two possible dates from the following list:

November: 11, 12, 13, 14, 15, 18, 19, 20

Commitment

Workshops are free but are offered on the understanding that schools encourage attendance at the parade and support children and their families during the event.

Full details of the workshop and event will be sent in due course.

I look forward to hearing from you soon.
