

Tuesday 29th April

Dear Parents, Carers and Children

Welcome Back

We hope you all enjoyed the extended holiday with your families. The children always impress us when they return to school and all classes have settled back into the rhythms and routines of school very well. There will be plenty going on throughout the Summer term and despite last week being a very short week, Year 4 have already enjoyed a fantastic Maya theme day and have started their Let's Walk road safety programme, and Year 5 were visited by the Fire Service.

Dates for your Diary

Class Photographs	Thursday 1 st May (this week)	<u>Smart school uniforms on this day please.</u> Nursery children who do not attend on Thursday mornings can come to the front door at 9.00am if you would like them to be part of their class photograph.

Reminder

Statutory testing dates for which the children need to be in school:

Year 6 SATS - the week of Monday 12th May

Year 4 Multiplication Check – Monday 2nd June to Friday 13th June

Year 1 Phonics Check – the week of Monday 9th June

School Lunches with the Children

School lunches at Winnington Park are delicious, nutritionally balanced (meeting the school dinner standards) and very good value. To give parents & carers the opportunity to try the dinners for themselves, we will be inviting family members to school to eat a school dinner with their child throughout this term. A separate letter will be sent to each year group with details.

School Meal Price Increase

A reminder that the school meal price increases from 1st May. The price of a school meal will rise by 6p to £2.95.

Bikes and Scooters

It's great that more families are taking advantage of the good weather and are cycling or scooting to school. Please can everyone push their bikes and scooters once inside the school grounds to make sure that we have no accidents or bumps – thank you.

Donations to school of Books, toys and uniform

Please do not send in any more donations of books, toys and uniform for the time being as we are well stocked. Thank you very much for all the recent donations.

Sun safety

The weather has been lovely and sunny! Please remember to send your child in with a named sun hat and a named water bottle with water (not squash). Please put a layer of suncream on your child before school and if you wish to, send in additional suncream for your child to reapply themselves. Thank you.

NSPCC Focus Group

In 2024 the Internet Watch Foundation found a 65% increase in 'self-generated' imagery of children under the age of 10. The NSPCC wants to develop a national campaign to raise awareness of how children under 10 years old can be manipulated or tricked into sharing images and videos when using video and livestreaming apps. On Wednesday 21st May, 9.00am at Winnington Park School, the NSPCC will be hosting a focus group session for 6- 10 parents and carers who wish to take part in sharing their own views on 'self-generated' images and what resources would be useful to have when keeping children safe. As a thank you for your time, you will receive a £15 shopping voucher on the day. To register your interest and to find out more, please email nwcampaigns@nspcc.org.uk by 5pm Friday 9th May.

Bank Holiday

School is closed on Monday 5th May (next week) as it is a bank holiday. The children should return to school on Tuesday (6th May).

Enjoy the longer weekend!

Yours sincerely,

Mr Rob Cole
(Headteacher)
