Dear Parents and Carers,

Year 5 Trip to Jodrell Bank

As part of our Space topic for Science this Summer term, we have planned a trip to Jodrell Bank on Tuesday 24th June. During the visit, children will see the Lovell Telescope, which is the UK's largest radio telescope. We will take a guided tour of the Solar System and discover constellations in a planetarium-style experience in the Space Dome. Children will be able to explore the various exhibitions, learning how the Lovell Telescope views the Universe, and have an on-gallery talk with demonstrations presented by the experts at Jodrell Bank.

Children will need to wear their school uniform and bring their coat (as we will be outside for part of the day). Children are allowed to wear trainers or shoes appropriate for walking. If the weather is warm and sunny, please apply sun-cream to your child in the morning and provide them with a hat for the day. Children will need to bring a drink and their packed lunch in a named disposable bag. If your child is in receipt of free school meals and you would like a lunch provided for them, please indicate on the slip below.

The cost of this trip will be £20 and you can pay via Gateway. This is to cover the entry costs in to Jodrell Bank, the expert talks and coach travel. Please contact Mrs Wood in the office if you have any enquires.

We would be grateful if a few parents are able to come on the visit with us. However, we would need to ask for a £14 contribution to cover the cost of a ticket. If you would like to come with us, please indicate on the slip below and we will contact you if we are able to offer you a place – there is limited space on the coach. **Please return all reply slips by Friday 13th June.**

Yours Sincerely,

Mrs Flackett and Miss Croucher
